NOW THEREFORE, Agent agrees to the following General Conditions:

- 1. By accepting commission payments from Ritter, Agent agrees to all of the "General Conditions" of this Agreement.
- 2. Agent agrees to submit a copy of the Scope of Appointment (“SOA”) form and other required materials along with the Enrollment form for all self-generated enrollments. Failure to submit SOA and other required materials will result in loss of commission for that enrollment. As such, Agent agrees to:
 - (a) Obtain the SOA for any one-on-one sales meeting in advance in accordance with the guidelines set forth in the Medicare Advantage Communications Requirements or Insurance Company’s policy, when applicable.

Exhibit C

Ritter Insurance Marketing LLC. HIPAA Subcontractor Business Associate Addendum

This Subcontractor Business Associate Addendum ("SubBAA ") adds to and is made a part of the Ritter Agent Compensation Agreement ("Agreement") by and between Ritter Insurance Marketing, LLC., hereinafter referred to as "Business Associate" and Agent (hereinafter referred to as "Subcontractor"). This SubBAA is an integral part of the Agreement as if fully set forth therein (each a "Party" and collectively the "Parties").

Business Associate performs services under contracts with certain covered entities (each such covered entity a "Covered Entity" and collectively "Covered Entities") offering Medicare Advantage and Part D Plans, and in the course of satisfying its obligations will have access to and/or use of Protected Health Information that is subject to protection under the Health Insurance Portability and Accountability Act of 1996, as amended from time to time.

Business Associate has agreed to provide such services in compliance with privacy, information security, and breach notification regulations, including the regulations contained in 45 C.F.R. Parts 160 and 164, promulgated under the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA") and the HITECH Act, and as otherwise amended from time to time ("HIPAA Rules").

Under the HIPAA Rules and the agreement referenced in the paragraph directly above, Business Associate is required to obtain contractual assurances from its subcontractors to the extent that they receive or obtain PHI in the course of providing services to Business Associate that they will safeguard the PHI in accordance with applicable requirements under the HIPAA Rules.

The Parties agree that Subcontractor may have access to Protected Health Information ("PHI") (as defined below) in order to perform Subcontractor's obligations and services to Business Associate. Both Parties also desire to comply with the HIPAA Rules and GLB Rules that are applicable to Subcontractor's relationship with Business Associate.

2. Use and Disclosure of PHI.

- (a) Except as otherwise provided in this SubBAA, Subcontractor may use or disclose PHI only as reasonably necessary to provide the services described in the Agreement or other activities of Subcontractor permitted or required of Subcontractor by this SubBAA or as required by law.

- (b) Except as otherwise limited by this SubBAA, Business Associate authorizes Subcontractor to use and disclose PHI in its possession for the proper management and administration of Subcontractor's business and to carry out its legal responsibilities. Subcontractor may disclose PHI for such purposes, provided that (i) such disclosures are required by law; or (ii) Subcontractor obtains, in writing, prior to making any disclosure to a third party (a) reasonable assurances from such third party that the PHI will be held confidential as provided under this SubBAA and used or further disclosed only as required by law or for the purpose for which it was disclosed to such third party; and (b) an agreement from such third party to notify Subcontractor immediately of any breaches of the confidentiality of the PHI, to the extent it has knowledge of such breach.
 - (c) Business Associate does not authorize Subcontractor to provide Data Aggregation services with respect to the PHI or to De-Identify the PHI.
 - (d) Subcontractor shall not transfer PHI outside the United States without the prior written consent of Business Associate. In this context, a "transfer" outside the United States occurs if Subcontractor's workforce members, agents, or subcontractors physically located outside the fifty United States and United States territories (American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) are able to access, use, or disclose PHI which was received from or on behalf of Business Associate.
 - (e) Subcontractor shall not use or disclose PHI in a manner other than as provided in this SubBAA, as permitted under the HIPAA Rules, or as required by law. Except as permitted under paragraphs (a-b) of this section, Subcontractor will not use or disclose PHI in any manner that would violate applicable laws or regulations, including, without limitation, the HIPAA Rules, if done by Business Associate or Business Associate's Covered Entity clients. Subcontractor shall use or disclose only the minimum necessary amount of PHI for each use or disclosure it makes of PHI in accordance with the provisions of Section 13405(b) of the HITECH Act and any implementing regulations.
 - (f) Upon request, Subcontractor shall make available to Business Associate any of Business Associate's PHI that Subcontractor, or any of its subcontractors or agents, have in their possession.
3. **Safeguards Against Misuse of PHI.** Subcontractor shall use appropriate safeguards, and comply with the applicable provisions of the Security Rule with respect to the Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or its Covered Entity clients, to prevent the use or disclosure of PHI other than as provided by the Agreement or this SubBAA. Subcontractor agrees to take reasonable steps to ensure that the actions or omissions of its employees or agents do not cause Subcontractor to breach the terms of this SubBAA.
4. **Reporting Impermissible Disclosures of PHI and Security Incidents.** Subcontractor shall report to Business Associate in writing (1) any use or disclosure of PHI not provided for by this SubBAA of which it becomes aware, or (2) any Security Incident affecting Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or its Covered Entity clients of which it becomes aware. Subcontractor agrees to report any such unauthorized use or disclosure or Security Incident promptly and in no case later than three (3) business days of becoming aware of its occurrence.
5. **Reporting Breaches of PHI.** Subcontractor shall notify Business Associate in writing promptly upon the discovery of any Breach of Unsecured PHI in the manner prescribed in 45 C.F.R. §164.410, but in no case later than two (2) business days after discovery. Subcontractor shall provide information regarding such Breach (including, to the extent possible, identification of each individual whose Unsecured PHI has been or is reasonably believed by Subcontractor to have been accessed, acquired, used, or disclosed during the Breach). Thereafter, the information shall be timely supplemented with additional information as may be obtained by Subcontractor. Subcontractor shall reimburse Business Associate for any and all costs and expenses incurred by Business Associate as a result of any such Breach caused by Subcontractor or any of its agents or subcontractors.
6. **Mitigation of Disclosures of PHI; Indemnification.** Subcontractor shall mitigate, to the extent practicable, any harmful effect that is known to Subcontractor of any use or disclosure of PHI by Subcontractor or its agents or subcontractors in violation of the requirements of this SubBAA, or of any Security Incident. Additionally, Subcontractor shall indemnify, defend and hold Covered Entity and its affiliates, officers, directors, agents and employees harmless from and against any and all losses, claims, actions, demands, liabilities, damages, costs and expenses (including costs of judgments, settlements, and reasonable attorneys' fees actually incurred) arising from or related to: (i) the use or disclosure of PHI in violation of the terms of the Agreement; (ii) a Security Incident; (iii) a Breach of Unsecured PHI; or (iv) a "breach" as defined by applicable state law regarding a Covered Entity applicant's or insured's information.

7. **Agreements with Agents or Subcontractors.** In accordance with 45 C.F.R. §§ 164.502(e)(1)(i) and 164.308(b)(2), Subcontractor shall ensure that any agent or subcontractor that has access to, or to which Subcontractor provides PHI (a) agrees in writing to the same restrictions, conditions, and requirements concerning the uses and disclosures of PHI as apply to Business Associate with respect to PHI and as contained herein; and (b) agrees in writing to comply with the applicable provisions of the Security Rule with respect to any Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or Covered Entity.
8. **Access to PHI by Individuals.**
- (a) Upon request, Subcontractor agrees to furnish Business Associate with copies of the PHI maintained by Subcontractor in a Designated Record Set in the time and manner designated by Business Associate.
 - (b) In the event any individual or personal representative requests access to the individual's PHI directly from Subcontractor, Subcontractor shall forward that request to Business Associate within the same day it is received.
 - (c) Any disclosure of, or decision not to disclose, the PHI requested by an individual or a personal representative and compliance with the requirements applicable to an individual's right to obtain access to PHI shall be the sole responsibility of the Covered Entity contracting with Business Associate.
9. **Amendment of PHI.**
- (a) Upon request, Subcontractor shall make available for amendment and/or shall amend PHI or a Record about an individual in a Designated Record Set that is maintained by, or otherwise within the possession of, Subcontractor as directed by Business Associate in accordance with procedures established by 45 C.F.R. § 164.526. Any request by Business Associate to amend such information shall be completed by Subcontractor within fifteen (15) business days of Business Associate's request.
 - (b) In the event that any individual requests that Subcontractor amend such individual's PHI or Record in a Designated Record Set, Subcontractor within five (5) business days shall forward such request to Business Associate.
 - (c) Any amendment of, or decision not to amend, the PHI or Record as requested by an individual and compliance with the requirements applicable to an individual's right to request an amendment of PHI shall be the sole responsibility of the Covered Entity contracting with Business Associate.
10. **Accounting of Disclosures.**
- (a) Subcontractor shall document any disclosures of PHI made by it, to the extent that a Covered Entity would have an obligation to account for such disclosures under 45 C.F.R. § 164.528. Subcontractor also shall make available information related to such disclosures as would be required for a Covered Entity to respond to a request for an accounting of disclosures in accordance with 45 C.F.R. § 164.528 and any amendments thereto, promulgated under the HITECH Act. At a minimum, Subcontractor shall furnish Business Associate the following with respect to any covered disclosures by Subcontractor: (i) the date of disclosure of PHI; (ii) the name of the entity or person who received PHI, and, if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of the disclosure which includes the basis for such disclosure.
 - (b) Subcontractor hereby agrees to implement an appropriate recordkeeping system to enable it to comply with the requirements of this Section. Subcontractor agrees to retain such records for a minimum of six (6) years.
 - (c) Upon request, Subcontractor shall furnish to Business Associate information collected in accordance with this Section, in the time and manner designated by the Business Associate, to permit the Covered Entity contracting with Business Associate to make an accounting of disclosures as required by 45 C.F.R. § 164.528, and Subcontractor shall otherwise furnish Business Associate with the information necessary to enable Business Associate to comply with the applicable provisions of Section 13405(c) of the HITECH Act and any implementing regulations.
 - (d) In the event that an individual delivers the request for an accounting directly to Subcontractor, Subcontractor shall forward such request to Business Associate the same day it is received.

- (e) The Covered Entity contracting with Business Associate shall maintain sole responsibility for preparing and delivering any accounting requested and for complying with the requirements applicable to an individual's right to obtain an accounting of disclosures of PHI.

11. **Equitable Relief.** Subcontractor understands and acknowledges that any disclosure or misappropriation of PHI in violation of the Agreement will cause Business Associate irreparable harm, the amount of which may be difficult to ascertain, and therefore agrees that Business Associate shall have the right to apply to a court of competent jurisdiction for an order restraining and enjoining any such further disclosure or breach and for such other relief as Business Associate shall deem appropriate. Such right of Business Associate is in addition to the remedies otherwise available to Business Associate at law or in equity.

12. **Availability of Books and Records.** Subcontractor shall make available its internal practices, books, agreements, records, and policies and procedures relating to the use and disclosure of PHI to Business Associate and, upon request, to the Secretary of HHS for purposes of determining compliance with the HIPAA Rules and this SubBAA. Notwithstanding the foregoing, prior to any such disclosure to the Secretary of HHS or any other federal or state agency, Subcontractor shall notify Business Associate in writing immediately of such request and shall furnish Business Associate with copies of such request. Business Associate and Subcontractor agree to work together in responding to any such request, including but not limited to engaging in an effort to obtain a confidentiality agreement, protective order, injunction or court order, if necessary, to preserve any applicable privilege.

13. **Covered Entity/ Business Associate Obligations.**

- (a) Business Associate shall not request Subcontractor to use or disclose PHI in any manner that would not be permissible under, or that would violate, the Privacy Rule if done by the Business Associate (or its Covered Entity client).
- (b) To the extent that such limitations, changes, or restrictions may affect Subcontractor's ability to use or disclose PHI to provide services under the Agreement and this SubBAA, Business Associate will notify Subcontractor of
 - (i) any known limitations on the use or disclosure of PHI contained in its Covered Entity client's Notice of Privacy Practices;
 - (ii) any known changes in, or revocation of, any authorizations by an individual to use or disclose his or her PHI; and/or
 - (iii) any known restrictions on the uses or disclosures of PHI that its Covered Entity client has agreed to or is required to comply with under 45 C.F.R. § 164.522.

14. **Term and Termination.**

- (a) This SubBAA shall become effective on the date first written above, and shall continue in effect until all obligations of the Parties have been met under the Agreement and under this SubBAA.
- (b) Business Associate may terminate immediately this SubBAA, the Agreement, and any other related agreements, if feasible, if/when the Business Associate makes a determination that the Subcontractor has breached a material term of this SubBAA and Subcontractor has failed to cure that material breach, to Business Associate's reasonable satisfaction, within thirty (30) days after written notice from Business Associate.
- (c) Upon termination of the Agreement or this SubBAA for any reason, all PHI maintained by Subcontractor shall be returned to Business Associate or destroyed by Subcontractor. Subcontractor shall not retain any copies of such information. This provision shall apply to PHI in the possession of Subcontractor's agents and subcontractors. If return or destruction of the PHI is not feasible in Subcontractor's reasonable judgment, Subcontractor shall furnish Business Associate notification, in writing, of the conditions that make return or destruction infeasible. Upon Subcontractor's determination that return or destruction of the PHI is infeasible, Subcontractor will extend the protections of this SubBAA to such information for as long as Subcontractor retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible. This Section 14(c) shall survive any termination of this SubBAA.

15. **Effect of SubBAA.** This SubBAA is a part of and subject to the terms of the Agreement, except that to the extent any terms of this SubBAA conflict with any term of the Agreement regarding the use, disclosure, protection, reporting or obligations as to PHI, the terms of this SubBAA shall govern. In the event of inconsistency between the provisions of this SubBAA and mandatory provisions of the HIPAA Rules, as amended by the HITECH Act or otherwise, or their

interpretation by any court or regulatory agency of competent authority and jurisdiction over either Party hereto, the HIPAA Rules, as interpreted by such court or agency, shall control. Where the provisions of this SubBAA are different from those mandated in the HIPAA Rules, but are nonetheless permitted by such rules as interpreted by courts or agencies, the provisions of this SubBAA shall control.

16. **Regulatory References.** A reference in this SubBAA to a section in the HIPAA Rules means the section as in effect or as amended from time to time.
17. **Notices.** All notices and notifications under this Agreement shall be sent in writing to the listed persons on behalf of Business Associate and Subcontractor identified in the Arrangements.
18. **Amendments; Waiver; Interpretation.** This SubBAA may not be modified, nor shall any provision be waived or amended, except in writing duly signed by authorized representatives of the Parties. The Parties agree to take action as is necessary to amend this SubBAA from time to time as may be necessary for Business Associate to comply with the HIPAA Rules. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events. To the extent they are unclear, the terms of this SubBAA shall be construed to allow for compliance by Business Associate and Subcontractor with the HIPAA Rules.
19. **HITECH Act Compliance.** The Parties acknowledge that the HITECH Act includes provisions that require significant changes and additions to the HIPAA Rules. The Privacy Subtitle of the HITECH Act sets forth provisions that significantly change the requirements for business associates and the agreements between business associates and their agents and subcontractors under the HIPAA Rules. Many of these changes may be further clarified in forthcoming regulations and/or guidance issued by HHS or OCR. Each Party agrees to comply with the applicable provisions of the HITECH Act and any implementing regulations issued thereunder.
20. **No Third Party Beneficiaries.** Business Associate and Subcontractor do not intend to confer, nor does anything express or implied in this SubBAA confer, upon any person other than Business Associate and Subcontractor, and their respective successors or assigns, any rights, remedies or obligations or liabilities whatsoever.

Ritter Insurance Marketing LLC.

HIPAA Subcontractor Business Associate Addendum

This Subcontractor Business Associate Addendum ("SubBAA ") adds to and is made a part of the Ritter Agent Compensation Agreement ("Agreement") by and between Ritter Insurance Marketing, LLC., hereinafter referred to as "Business Associate" and Agent (hereinafter referred to as "Subcontractor"). This SubBAA is an integral part of the Agreement as if fully set forth therein (each a "Party" and collectively the "Parties").

Business Associate performs services under contracts with certain covered entities (each such covered entity a "Covered Entity" and collectively "Covered Entities") offering individual health insurance products, and in the course of satisfying its obligations will have access to and/or use of Protected Health Information that is subject to protection under the Health Insurance Portability and Accountability Act of 1996, as amended from time to time.

Business Associate has agreed to provide such services in compliance with privacy, information security, and breach notification regulations, including the regulations contained in 45 C.F.R. Parts 160 and 164, promulgated under the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA") and the HITECH Act, and as otherwise amended from time to time ("HIPAA Rules").

Under the HIPAA Rules and the agreement referenced in the paragraph directly above, Business Associate is required to obtain contractual assurances from its subcontractors to the extent that they receive or obtain PHI in the course of providing services to Business Associate that they will safeguard the PHI in accordance with applicable requirements under the HIPAA Rules.

The Parties agree that Subcontractor may have access to Protected Health Information ("PHI") (as defined below) in order to perform Subcontractor's obligations and services to Business Associate. Both Parties also desire to comply with the HIPAA Rules and GLB Rules that are applicable to Subcontractor's relationship with Business Associate.

1. **Definitions.** For purposes of this SubBAA, the terms below shall have the meanings given to them in this Section.
 - (a) **Breach** shall mean the acquisition, access, use, or disclosure of PHI in a manner not permitted under the HIPAA Privacy Rule which compromises the security or privacy of the PHI, as defined in 45 C.F.R. §164.402.
 - (b) **Breach Notification Rule** shall mean that portion of the HIPAA Rules set forth at 45 C.F.R. Part 160 and in Subparts A and D of 45 C.F.R. Part 164.
 - (c) **Covered Entity** shall mean covered entities that meet the definition given to that term in 45 C.F.R. § 160.103, and as described in the second paragraph of this SubBAA.
 - (d) **Data Aggregation** shall mean, with respect to PHI created or received by Subcontractor in its capacity as the subcontractor of Business Associate, the combining of such PHI by Subcontractor with the PHI received by Subcontractor in its capacity as a subcontractor of another business associate or business associate of another covered entity, to permit data analyses that relate to the Health Care Operations (defined below) of the respective Covered Entities. The meaning of "data aggregation" in this SubBAA shall be consistent with the meaning given to that term in the HIPAA Rules.
 - (e) **Designated Record Set** shall mean a group of Records maintained by or for a Covered Entity that: (a) consists of medical records and billing records about individuals maintained by or for the Covered Entity; (b) consists of the enrollment, payment, claims adjudication, and case or medical management record systems maintained by or for a health plan; or (c) consists of Records used, in whole or part, by or for the Covered Entity to make decisions about individual patients. As used herein, the term "Record" shall mean any item, collection or grouping of information that includes PHI and is maintained, collected, used or

disseminated by or for a provider. The term “designated record set”, however, shall not include any information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding, including but not limited to, any information subject to the attorney-client privilege, trial preparation immunity, attorney work product, peer review privilege or other privilege under applicable law, nor shall it include any information that constitutes “psychotherapy notes” as defined in 45 C.F.R. § 164.501.

- (f) **De-Identify** shall mean to alter the PHI such that the resulting information meets the requirements described in 45 C.F.R. § 164.514(a) and (b).
- (g) **Effective Date** shall mean the date first written above.
- (h) **Electronic PHI** shall mean any PHI maintained in or transmitted by “electronic media” as defined in 45 C.F.R. § 160.103.
- (i) **GLB Rules** shall mean the requirements of all insurance commissioner regulations implementing Title V of the Gramm-Leach-Bliley Act (15 USC § 6801 et seq.).
- (j) **Health Care Operations** shall have the meaning given to that term at 45 C.F.R. § 164.501.
- (k) **HHS** shall mean the U.S. Department of Health and Human Services.
- (l) **HITECH Act** shall mean the Health Information Technology for Economic and Clinical Health Act, enacted as part of the American Recovery and Reinvestment Act of 2009, Public Law 111-5.
- (m) **Privacy Rule** shall mean that portion of the HIPAA Rules set forth in 45 C.F.R. Part 160 and in Subparts A and E of 45 C.F.R. Part 164.
- (n) **Protected Health Information or PHI** shall mean information transmitted or maintained in any form or medium, received by Subcontractor from, or created by Subcontractor on behalf of, Business Associate or any of Business Associate’s Covered Entity clients, including demographic information collected from an individual, that
 - (i) is created or received by a health care provider, health plan, employer, or health care clearinghouse; and
 - (ii) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual, and (a) identifies the individual or (b) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

The meaning of “protected health information” or “PHI” in this SubBAA shall be consistent with the meaning given to that term in the HIPAA Rules.

- (o) **Security Incident** shall mean the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system. This term shall not include trivial incidents that occur on a daily basis, such as scans, “pings”, or unsuccessful attempts to penetrate computer networks or servers maintained by Subcontractor. The term shall be limited to such incidents involving PHI or information systems containing electronic PHI.
- (p) **Security Rule** shall mean that portion of the HIPAA Rules set forth in 45 C.F.R. Part 160 and in Subparts A and C of 45 C.F.R. Part 164.
- (q) **Unsecured PHI** shall mean PHI that is not secured in accordance with standards promulgated by the Secretary of HHS in guidance issued by HHS or Office of Civil Rights (OCR) under Section 13402(h)(2) of the HITECH Act and as defined in 45 C.F.R. §164.402.

2. Use and Disclosure of PHI.

- (a) Except as otherwise provided in this SubBAA, Subcontractor may use or disclose PHI only as reasonably necessary to provide the services described in the Agreement or other activities of Subcontractor permitted or required of Subcontractor by this SubBAA or as required by law.
- (b) Except as otherwise limited by this SubBAA, Business Associate authorizes Subcontractor to use and disclose PHI in its possession for the proper management and administration of Subcontractor's business and to carry out its legal responsibilities. Subcontractor may disclose PHI for such purposes, provided that (i) such disclosures are required by law; or (ii) Subcontractor obtains, in writing, prior to making any disclosure to a third party (a) reasonable assurances from such third party that the PHI will be held confidential as provided under this SubBAA and used or further disclosed only as required by law or for the purpose for which it was disclosed to such third party; and (b) an agreement from such third party to notify Subcontractor immediately of any breaches of the confidentiality of the PHI, to the extent it has knowledge of such breach.
- (c) Business Associate does not authorize Subcontractor to provide Data Aggregation services with respect to the PHI or to De-Identify the PHI.
- (d) Subcontractor shall not transfer PHI outside the United States without the prior written consent of Business Associate. In this context, a "transfer" outside the United States occurs if Subcontractor's workforce members, agents, or subcontractors physically located outside the fifty United States and United States territories (American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) are able to access, use, or disclose PHI which was received from or on behalf of Business Associate.
- (e) Subcontractor shall not use or disclose PHI in a manner other than as provided in this SubBAA, as permitted under the HIPAA Rules, or as required by law. Except as permitted under paragraphs (a-b) of this section, Subcontractor will not use or disclose PHI in any manner that would violate applicable laws or regulations, including, without limitation, the HIPAA Rules, if done by Business Associate or Business Associate's Covered Entity clients. Subcontractor shall use or disclose only the minimum necessary amount of PHI for each use or disclosure it makes of PHI in accordance with the provisions of Section 13405(b) of the HITECH Act and any implementing regulations.
- (f) Upon request, Subcontractor shall make available to Business Associate any of Business Associate's PHI that Subcontractor, or any of its subcontractors or agents, have in their possession.

3. Safeguards Against Misuse of PHI. Subcontractor shall use appropriate safeguards, and comply with the applicable provisions of the Security Rule with respect to the Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or its Covered Entity clients, to prevent the use or disclosure of PHI other than as provided by the Agreement or this SubBAA. Subcontractor agrees to take reasonable steps to ensure that the actions or omissions of its employees or agents do not cause Subcontractor to breach the terms of this SubBAA.

4. Reporting Impermissible Disclosures of PHI and Security Incidents. Subcontractor shall report to Business Associate in writing (1) any use or disclosure of PHI not provided for by this SubBAA of which it becomes aware, or (2) any Security Incident affecting Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or its Covered Entity clients of which it becomes aware. Subcontractor agrees to report any such unauthorized use or disclosure or Security Incident promptly and in no case later than three (3) business days of becoming aware of its occurrence.

5. Reporting Breaches of PHI. Subcontractor shall notify Business Associate in writing promptly upon the discovery of any Breach of Unsecured PHI in the manner prescribed in 45 C.F.R. §164.410, but in no case later than two (2) business days after discovery. Subcontractor shall provide information regarding such Breach (including, to the extent possible, identification of each individual whose Unsecured PHI has been or is reasonably believed by Subcontractor to have been accessed, acquired, used, or disclosed during the Breach). Thereafter, the information shall be timely supplemented with additional information as may be obtained by Subcontractor. Subcontractor shall reimburse Business Associate for any and all costs and expenses incurred by Business Associate as a result of any such Breach caused by Subcontractor or any of its agents or subcontractors.

6. Mitigation of Disclosures of PHI; Indemnification. Subcontractor shall mitigate, to the extent practicable, any

harmful effect that is known to Subcontractor of any use or disclosure of PHI by Subcontractor or its agents or subcontractors in violation of the requirements of this SubBAA, or of any Security Incident. Additionally, Subcontractor shall indemnify, defend and hold Covered Entity and its affiliates, officers, directors, agents and employees harmless from and against any and all losses, claims, actions, demands, liabilities, damages, costs and expenses (including costs of judgments, settlements, and reasonable attorneys' fees actually incurred) arising from or related to: (i) the use or disclosure of PHI in violation of the terms of the Agreement; (ii) a Security Incident; (iii) a Breach of Unsecured PHI; or (iv) a "breach" as defined by applicable state law regarding a Covered Entity applicant's or insured's information.

7. **Agreements with Agents or Subcontractors.** In accordance with 45 C.F.R. §§ 164.502(e)(1)(i) and 164.308(b)(2), Subcontractor shall ensure that any agent or subcontractor that has access to, or to which Subcontractor provides PHI (a) agrees in writing to the same restrictions, conditions, and requirements concerning the uses and disclosures of PHI as apply to Business Associate with respect to PHI and as contained herein; and (b) agrees in writing to comply with the applicable provisions of the Security Rule with respect to any Electronic PHI that it creates, receives, maintains, or transmits on behalf of Business Associate or Covered Entity.
8. **Access to PHI by Individuals.**
 - (a) Upon request, Subcontractor agrees to furnish Business Associate with copies of the PHI maintained by Subcontractor in a Designated Record Set in the time and manner designated by Business Associate.
 - (b) In the event any individual or personal representative requests access to the individual's PHI directly from Subcontractor, Subcontractor shall forward that request to Business Associate within the same day it is received.
 - (c) Any disclosure of, or decision not to disclose, the PHI requested by an individual or a personal representative and compliance with the requirements applicable to an individual's right to obtain access to PHI shall be the sole responsibility of the Covered Entity contracting with Business Associate.
9. **Amendment of PHI.**
 - (a) Upon request, Subcontractor shall make available for amendment and/or shall amend PHI or a Record about an individual in a Designated Record Set that is maintained by, or otherwise within the possession of, Subcontractor as directed by Business Associate in accordance with procedures established by 45 C.F.R. § 164.526. Any request by Business Associate to amend such information shall be completed by Subcontractor within fifteen (15) business days of Business Associate's request.
 - (b) In the event that any individual requests that Subcontractor amend such individual's PHI or Record in a Designated Record Set, Subcontractor within five (5) business days shall forward such request to Business Associate.
 - (c) Any amendment of, or decision not to amend, the PHI or Record as requested by an individual and compliance with the requirements applicable to an individual's right to request an amendment of PHI shall be the sole responsibility of the Covered Entity contracting with Business Associate.
10. **Accounting of Disclosures.**
 - (a) Subcontractor shall document any disclosures of PHI made by it, to the extent that a Covered Entity would have an obligation to account for such disclosures under 45 C.F.R. § 164.528. Subcontractor also shall make available information related to such disclosures as would be required for a Covered Entity to respond to a request for an accounting of disclosures in accordance with 45 C.F.R. § 164.528 and any amendments thereto, promulgated under the HITECH Act. At a minimum, Subcontractor shall furnish Business Associate the following with respect to any covered disclosures by Subcontractor: (i) the date of disclosure of PHI; (ii) the name of the entity or person who received PHI, and, if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of the disclosure which includes the basis for such disclosure.
 - (b) Subcontractor hereby agrees to implement an appropriate recordkeeping system to enable it to comply with the requirements of this Section. Subcontractor agrees to retain such records for a minimum of six (6) years.

- (c) Upon request, Subcontractor shall furnish to Business Associate information collected in accordance with this Section, in the time and manner designated by the Business Associate, to permit the Covered Entity contracting with Business Associate to make an accounting of disclosures as required by 45 C.F.R. § 164.528, and Subcontractor shall otherwise furnish Business Associate with the information necessary to enable Business Associate to comply with the applicable provisions of Section 13405(c) of the HITECH Act and any implementing regulations.
- (d) In the event that an individual delivers the request for an accounting directly to Subcontractor, Subcontractor shall forward such request to Business Associate the same day it is received.
- (e) The Covered Entity contracting with Business Associate shall maintain sole responsibility for preparing and delivering any accounting requested and for complying with the requirements applicable to an individual's right to obtain an accounting of disclosures of PHI.

11. **Equitable Relief.** Subcontractor understands and acknowledges that any disclosure or misappropriation of PHI in violation of the Agreement will cause Business Associate irreparable harm, the amount of which may be difficult to ascertain, and therefore agrees that Business Associate shall have the right to apply to a court of competent jurisdiction for an order restraining and enjoining any such further disclosure or breach and for such other relief as Business Associate shall deem appropriate. Such right of Business Associate is in addition to the remedies otherwise available to Business Associate at law or in equity.

12. **Availability of Books and Records.** Subcontractor shall make available its internal practices, books, agreements, records, and policies and procedures relating to the use and disclosure of PHI to Business Associate and, upon request, to the Secretary of HHS for purposes of determining compliance with the HIPAA Rules and this SubBAA. Notwithstanding the foregoing, prior to any such disclosure to the Secretary of HHS or any other federal or state agency, Subcontractor shall notify Business Associate in writing immediately of such request and shall furnish Business Associate with copies of such request. Business Associate and Subcontractor agree to work together in responding to any such request, including but not limited to engaging in an effort to obtain a confidentiality agreement, protective order, injunction or court order, if necessary, to preserve any applicable privilege.

13. **Covered Entity/ Business Associate Obligations.**

- (a) Business Associate shall not request Subcontractor to use or disclose PHI in any manner that would not be permissible under, or that would violate, the Privacy Rule if done by the Business Associate (or its Covered Entity client).
- (b) To the extent that such limitations, changes, or restrictions may affect Subcontractor's ability to use or disclose PHI to provide services under the Agreement and this SubBAA, Business Associate will notify Subcontractor of
 - (i) any known limitations on the use or disclosure of PHI contained in its Covered Entity client's Notice of Privacy Practices;
 - (ii) any known changes in, or revocation of, any authorizations by an individual to use or disclose his or her PHI; and/or
 - (iii) any known restrictions on the uses or disclosures of PHI that its Covered Entity client has agreed to or is required to comply with under 45 C.F.R. § 164.522.

14. **Term and Termination.**

- (a) This SubBAA shall become effective on the date first written above, and shall continue in effect until all obligations of the Parties have been met under the Agreement and under this SubBAA.
- (b) Business Associate may terminate immediately this SubBAA, the Agreement, and any other related agreements, if feasible, if/when the Business Associate makes a determination that the Subcontractor has breached a material term of this SubBAA and Subcontractor has failed to cure that material breach, to Business Associate's reasonable satisfaction, within thirty (30) days after written notice from Business Associate.

(c) Upon termination of the Agreement or this SubBAA for any reason, all PHI maintained by Subcontractor shall be returned to Business Associate or destroyed by Subcontractor. Subcontractor shall not retain any copies of such information. This provision shall apply to PHI in the possession of Subcontractor's agents and subcontractors. If return or destruction of the PHI is not feasible in Subcontractor's reasonable judgment, Subcontractor shall furnish Business Associate notification, in writing, of the conditions that make return or destruction infeasible. Upon Subcontractor's determination that return or destruction of the PHI is infeasible, Subcontractor will extend the protections of this SubBAA to such information for as long as Subcontractor retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible. This Section 14(c) shall survive any termination of this SubBAA.

15. **Effect of SubBAA.** This SubBAA is a part of and subject to the terms of the Agreement, except that to the extent any terms of this SubBAA conflict with any term of the Agreement regarding the use, disclosure, protection, reporting or obligations as to PHI, the terms of this SubBAA shall govern. In the event of inconsistency between the provisions of this SubBAA and mandatory provisions of the HIPAA Rules, as amended by the HITECH Act or otherwise, or their interpretation by any court or regulatory agency of competent authority and jurisdiction over either Party hereto, the HIPAA Rules, as interpreted by such court or agency, shall control. Where the provisions of this SubBAA are different from those mandated in the HIPAA Rules, but are nonetheless permitted by such rules as interpreted by courts or agencies, the provisions of this SubBAA shall control.
16. **Regulatory References.** A reference in this SubBAA to a section in the HIPAA Rules means the section as in effect or as amended from time to time.
17. **Notices.** All notices and notifications under this Agreement shall be sent in writing to the listed persons on behalf of Business Associate and Subcontractor identified in the Arrangements.
18. **Amendments; Waiver; Interpretation.** This SubBAA may not be modified, nor shall any provision be waived or amended, except in writing duly signed by authorized representatives of the Parties. The Parties agree to take action as is necessary to amend this SubBAA from time to time as may be necessary for Business Associate to comply with the HIPAA Rules. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events. To the extent they are unclear, the terms of this SubBAA shall be construed to allow for compliance by Business Associate and Subcontractor with the HIPAA Rules.
19. **HITECH Act Compliance.** The Parties acknowledge that the HITECH Act includes provisions that require significant changes and additions to the HIPAA Rules. The Privacy Subtitle of the HITECH Act sets forth provisions that significantly change the requirements for business associates and the agreements between business associates and their agents and subcontractors under the HIPAA Rules. Many of these changes may be further clarified in forthcoming regulations and/or guidance issued by HHS or OCR. Each Party agrees to comply with the applicable provisions of the HITECH Act and any implementing regulations issued thereunder.
20. **No Third Party Beneficiaries.** Business Associate and Subcontractor do not intend to confer, nor does anything express or implied in this SubBAA confer, upon any person other than Business Associate and Subcontractor, and their respective successors or assigns, any rights, remedies or obligations or liabilities whatsoever.
21. **Independent Contractor.** Subcontractor is performing services pursuant to the Agreement and for all purposes hereunder, Subcontractor's status shall be that of an independent contractor.
